# Find your UPMC Advantage plan

Thank you for your interest in UPMC Advantage Individual and Family plans. This information will help you estimate the monthly premium you can expect to pay for the plan you choose.

Somewhere in the next few pages is the perfect plan for you. In the following charts you'll find a detailed breakdown of UPMC Advantage plan options organized by network. We offer a variety of plans designed to fit your budget and meet your needs. When buying health insurance, keep these three things in mind: network, pharmacy coverage, and costs (copayments, monthly premiums, etc.).

## We offer two types of plans:

### Exclusive provider organization

Exclusive provider organization (EPO) plans enable you to seek care within the network. Medical services are not covered outside the network, except for emergency care.

### Preferred provider organization

Preferred provider organization (PPO) plans give you the flexibility to go out of the network for care at a greater share of the cost. You will have lower cost shares when you use in-network providers.

## Remember, all UPMC Advantage plans offer:

- The NVA EYEESSENTIALS® Discount Plan, which provides significant discounts on eyecare services and materials through participating network providers.
- A \$0 generic prescription drug category\* and a robust formulary (a listing of covered medications).
- Preventive services that are covered at 100 percent when you see a participating provider.
- Pediatric dental and vision coverage included.
- National extended network and emergency medical assistance when traveling.

## Two steps to finding the plan that's right for you

### 1. Choose your network.

Start by selecting your preferred network from the following options:

#### UPMC PREMIUM NETWORK (PPO)

For residents of Adams, Allegheny, Armstrong, Beaver, Bedford, Blair, Bradford, Butler, Cambria, Cameron, Centre, Clarion, Clearfield, Clinton, Crawford, Cumberland, Dauphin, Elk, Erie, Fayette, Forest, Greene, Huntingdon, Indiana, Jefferson, Lackawanna, Lancaster, Lawrence, Lebanon, Luzerne, Lycoming, McKean, Mercer, Northumberland, Perry, Potter, Snyder, Somerset, Sullivan, Tioga, Union, Venango, Warren, Washington, Westmoreland, Wyoming, and York counties.

UPMC Health Plan's broadest network. Premium network plans are for residents of Pennsylvania who want to seek care in and out of network. All plans are PPO plans.

#### UPMC SELECT NETWORK (EPO)

For residents of Allegheny, Beaver, Butler, Fayette, Washington, and Westmoreland counties.

Includes select providers within the six counties listed above, including most community hospitals, plus all UPMC-owned hospitals and providers across Pennsylvania. All plans are EPO plans.

#### UPMC PARTNER NETWORK (EPO)

For residents of Allegheny, Bedford, Blair, Clinton, Erie, Lawrence, Lycoming, Mercer, Tioga, and Venango counties.

Includes providers within the 10 counties listed above plus all UPMC-owned hospitals and providers across Pennsylvania. All plans are EPO plans.

### 2. Choose your coverage level.

We offer five coverage levels—Platinum, Gold, Silver, Bronze, and Catastrophic. Your monthly payment will depend on the plan you choose. In general, plans with lower premiums have greater out-of-pocket costs at the time of service. But you can also choose to pay higher premiums and have lower out-of-pocket costs.

**Platinum plans** feature higher monthly premiums with the lowest out-of-pocket costs for medical care.

**Gold plans** feature higher monthly premiums with low out-of-pocket costs for medical care.

**Silver plans** feature low monthly premiums with moderate out-of-pocket costs for medical care.

**Bronze plans** feature lower monthly premiums with higher out-of-pocket costs for medical care.

**Catastrophic plans** feature the lowest premiums with higher out-of-pocket costs. These plans are only available to people younger than 30 before the plan year begins with certain exceptions. They were designed for people who want "just-in-case" coverage.

# How to calculate your estimated total monthly premium cost

## To calculate your estimated total monthly premium cost:

- Select your area of coverage by finding your preferred network.
- Determine the age of each person to be covered.
- Determine if the individual is a tobacco user.
- Add the monthly payment amounts associated with each individual.

## Here is an example for calculating a monthly premium:

- A family of three living in Allegheny County selects the Silver \$1,750/\$50 Plan in the Premium Network.
- To determine the monthly premium, add each individual's rate:

**Mom's premium (27 years old, non-tobacco) . . . \$351.91**

**Dad's premium (28 years old, non-tobacco) . . . \$365.00**

**Son's premium (2 years old) . . . . . \$256.88**

---

**Total monthly premium . . . . . \$973.79**
